

TRAVEL PHOTOGRAPHY WORKSHOP

Presented by:

Lee's

CAMERA SUPPLY LTD.

SATURDAY, MARCH 4

11:15 AM

360 Photography with

Jeff Gin

Jeff will demonstrate how the latest 360 cameras and software can be used to create stunning interactive images.

12:30 PM

Available Light Photography

Chris Screech

Chris will share his photographs and experiences photographing when the sun goes as well and in dimly lit churches and museums.

1:45 PM

**Overland Travel Photography
(Overlanding) in Southern &
Eastern Africa**

Darin & Dee Feist

This session is about the experience of the journey rather than the destination. Capturing those "experiences" as they happen is what inspires Darin's approach to travel photography; it's about noticing what the journey reveals to you in a given moment rather than chasing a laundry list of shots.

3:00 PM

**The Best Camera for the Job is
the One You Have with You**

Vladimir Kostka

This session will demonstrate through Vladimir's photographs his personal journey using various cameras to produce his breathtaking images often proving that bigger is not always best.
